About Company

Afaq Logistics has been a trusted name in the logistics industry for over a decade, delivering seamless cargo solutions across Pakistan and beyond.

With a robust fleet of several long chassis trailers and a highly experienced supply chain team, Afaq Logistics specializes in transporting all types of cargo ranging from bulk commodities to specialized shipments, both within city limits and across borders to Afghanistan.

Whether it's intracity distribution or customized trucking solutions, the company offers dedicated services tailored to meet diverse client needs.

Committed to innovation and sustainability, Afaq Logistics integrates green logistics practices to ensure efficient, eco conscious operations that keep businesses moving forward.

Our **MANAGEMENT**

At the helm of our transport service operations is a visionary management team committed to redefining mobility and logistics across Pakistan. With extensive experience in fleet management, route optimization, and customer-centric service delivery, our leaders combine operational expertise with strategic foresight. Their forward-looking approach embraces smart transport solutions, digital tracking technologies, and sustainable practices, ensuring we stay ahead of industry demands while delivering reliable, efficient, and scalable services to our clients.
